Neither A Long nor Short Walk

길지도 짧지도 않은 산책

Story/Art by Ara

You suck!

ㅋㅋ

ㅋㅋ

sfx: Ugh Ugh

Is it fun ignoring people like that?

You treat people like a bag.

When I touched you,

You flinched like...

I'm something dirty.

You're really great alone, huh?

You're just like your father!

He criticized other people like they were nothing.

Hahahal is it nice to know...

That he crumbled down under the loneliness?

soon Jo Yi?

Ah! Yes.

tap

This is..
Did you fold it and give it to her?

How did you know that?

The security card which was sent to your house.
I sent it.

You did?

I have lived for ten years in this village.
Whether I like it or not, I hear many rumors here.

Of course, rumors about you too.

I have never talked with you. I have only seen the top of your head from afar.

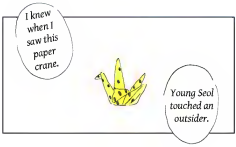
But, I felt fondness for that kid.

And when we came across each other sometimes

Ah... He became a middle school student.
Now he's going to university and lives by himself.

...
His father died.

That is why I sent the invitation.



And that kid,
Only that kid would walk around the mansion.

Like you say,
If you wanted to kidnap her, you have a lot of opportunities.

But she is...
Home again today.

Surely, you didn't mean it in the first place.

You must have needed someone,
Like Young Seol.

The guy who is going to kidnap the princess, dyes his hair yellow so everybody can notice him,

And talks about his plans all over the neighbourhood.

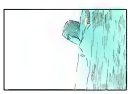
That is...

Isn't that an SOS signal?

sfx: lower

All the guilt and self blame.

Why didn't you save me?



It was your struggle to escape from a heavy responsibility.

You needed a warm hand.

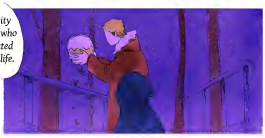
Soon Jo, if it's okay with you, can I ask you one thing?

Yesterday night,
What did you do together?

Can I know how you spent time with her?

We walked.

Young Seol brought the paper cranes that she got.
On that paper crane, there were all kinds of curses written.



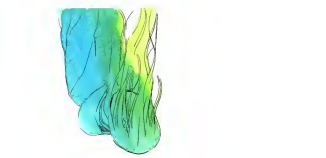
I felt pity for her, who was hated all her life.

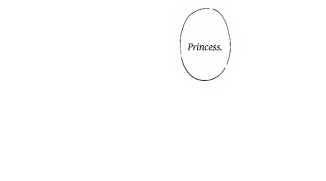
Those blue eyes and golden hair.
She looks different from other people, but I imagined her future. Perhaps it would be sad..

We walked around the botanical garden.
See here.
This place was made for you.

You're precious to everybody.

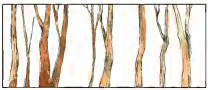
You will always be our...





Princess.

sfx. Hahahaha



Hey, did you see Yoon Jo?
Huh?
I haven't seen her.

Where is Yoon Jo?
We should go back to school now.

?

It's snowing.

Ah, it's snowing.

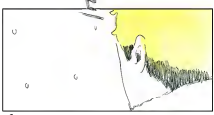
It looks like it's gonna snow a lot.
Damn, cleaning it up is gonna be a pain.

Until now, many people stayed beside me.

I couldn't trust these people and only doubted them.

I think they were kinda worried about me.
You can leave.

You can go...



sfx: ring

sfx: ring ring

I felt bad.

sfx: ring ring

sfx: ring

Everything will be okay.

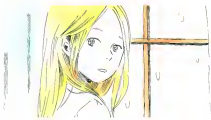
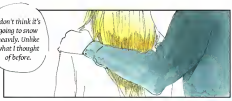
Yes, this is Soon Jo Yi.

Young Seol.

What are you looking at?



Ah! It's snow?



I don't think it's going to snow heavily, Unlike what I thought of before.

It's coming down prettily.

Neither A Long nor Short Walk

The end.
